

Revolutionising Agricultural Supply Chains:

The Power of Tosca's
Reusable Foldable Crates.

The Power of Tosca's Reusable Foldable Crates

1

Maximized Compatibility and Efficiency

DID YOU KNOW THAT:

1 truck of folded
Tosca crates

7 trucks of rigid
single-use crates

1. Compatible with Euro-size and industrial pallets
2. Optimised space savings thanks to better cube utilisation
3. Stable stacking
4. Lower transport costs

2

Better Protection, Less Damage

DID YOU KNOW THAT:

Tosca crates are
4x stronger than
standard corrugated
boxes

1. Stronger packaging
2. More protection
3. Less waste

3

Enhanced Traceability and Asset Management

1. Full produce traceability
2. Flexible asset management options

4

Sustainable Solutions for Growers and the Environment

100% recyclable crates
for a sustainable future.

Harness the sustainability benefits
with fewer trucks needed,
resulting in **lower CO2 emissions**.
